## Crafting Your Wedding

The Story must be Told...

The man who finds a wife finds a treasure, and he receives favor from the LORD

Proverbs 18:22

On this, the most wonderful beginning or renewal of your journey... the Story must be told.

At LG TV PRODUCTIONS LLC and Dee Johnson Photography, "Create to Elevate" is what we strive for! It is a passion that has found 'FAVOR' with the Creator.

Our clients say we have the unusual ability to capture the essence of creating a story for generations to come. It is why we carry the title of Master Photographer and we stay abreast of keeping that ability at it's highest level...for any occasion!
